'Martin Hubner' said about Hadleigh Residential

Services: Sales (as a Vendor) Date: 4th October 2019

I recently Sold a flat through Hadleighs Estate Agent Belsize Park. Michael Vaidya with whom I have done business for nearly twenty years conducted this current sale in a most professional manner. Michael is one of the best communicators in the business, both by email and phone. Just when one is maybe slightly nervous about the progress of the sale Michael will sort it out for you. He always delivers, and is charming with it!

If I get the chance or the money I will be right back to do more business with Michael Vaidya and of course Nick Collins who steers a very steady ship.

Many thanks again for a most professional job which felt moderately painless.

Regards and good luck.

Best wishes,

Martin Hubner and Jane Gardiner
