Energetic, honest and considerate, Hadleigh are the estate agents to go to in Belsize Park. They have an enthusiastic team and deep knowledge of the area. We have both bought and, more recently, sold through them and we were treated with patience and kindness beyond the norm.

Michael is an excellent negotiator and liaises very effectively between buyer and seller, always prompt to reply and ready to sort out any potential problems; and he kept our spirits up when things were looking difficult.

Thank you to Nick, Michael and the team. 5 stars!

Regards,
Wendy
