Hi Nick

I am very happy to provide a few words:

Nick, Michael and the team worked tirelessly to find a suitable buyer for my house. It turned out to be a far from straightforward business, but they were extremely calm and supportive during the whole very stressful period. Well-meaning friends and neighbours urged me to involve a different agency, but I had faith in Hadleigh and their local knowledge and expertise, and it finally paid off.

With best wishes

J [redacted]
