

We recently sold our flat through Hadleigh, and had the pleasure of Michael's assistance during this time. With his wealth of industry knowledge, Michael was able to provide us with good advice and information to help with the various decisions we needed to make, and was prompt in keeping us updated on the progress of the sale. He kept us reassured throughout the drawn-out and at times, stressful process, and saw the sale through to a successful conclusion. Michael was courteous, considerate and great to deal with and made the selling process bearable. Thank you again for your assistance, and thanks also to Nick and Redana. This was a big decision for us to make and you helped to make it easier. Wishing you all the best for 2017!
