Eccomi, con piacere.

My experience with Hadleigh has been excellent. I had been looking for a flat to rent without any good result when I asked Hadleigh, and they were able to find the best opportunity for me according to my needs and even guessing my taste. The staff I met is qualified, trustful, very polite and effective. Also, the following procedure to move in has been easy and quick. I strongly recommend Hadleigh to those who are looking for a cosy flat/house.
