Having seen how Micheal Vaidya and the team at Hadleigh's operate from a buyers point of view I cannot recommend them enough. Michael's honest, approachable and professional manor ensured that the sale of the property went very smoothly. Micheal always kept me up to date on the development of the sale on a weekly basis making the whole process painless.

As a buy to let investor I am actively looking to purchase other properties in the area and I would welcome the opportunity to work with Michael and Hadleigh's in the future.

Warm Regards

Michele
