Subject: A few lines on Hadleigh

A good friend recommended that I should contact Hadleigh Residential to rent out my flat.

I was very pleased and surprised by how quickly and efficiently Lauren Rapacioli, Head of Rentals, dealt with my rental. She was very observant about my property and gave me good advice on how to prepare the premise for rental. Lauren found me a tenant within 6 days of marketing the property online!

I was dreading the rental process but Lauren and her team have made it very easy.

Many thanks Lauren, Natalie and Trishna
